

# MSA's Tree-Trimmers' Kit

**An easy-to-order package of head, face, and hearing protection for tree trimmers.**

- ➔ Lightweight, comfortable, durable protection
- ➔ One part number covers all except eyewear
- ➔ Easy to order, assemble, and use

It's really simple, yet complete! This integrated protection package gives you and your employees a protective helmet with appropriate face and hearing protection to guard against common tree-trimming operation hazards. All components meet or exceed appropriate ANSI standard requirements. MSA also recommends that users add your choice of ANSI- or CSA-certified high-impact eyewear (or prescription safety eyewear) under the faceshield. Of course, appropriate ANSI- or CSA-certified fall protection should also be worn.

## Ordering Information

### Complete Assembly

10090650 Complete assembly includes Orange V-Gard® Cap, Easy-Release Defender® Faceshield Frame, XLS Hearing Protection, chip arrester, and plastic-edged wire screen visor, with instructions for assembly

### Replacement Parts
