(shown with ESS Innerzone 3 Goggles)

MSA Cairns Rescue 360R
(shown with ESS Innerzone 2 Goggle and ClearCommand® HCS)

MSA Cairns Rescue 360R-13

Features & Benefits

FEATURES	BENEFITS
Through-color Thermoplastic Shell	Maintains its color even after taking a beating on the fireground
Impact Cap	Provides superior thermal and impact protection when you need it most (not available on Rescue 360R-13)
Adjustable NAPE Height	Three ratchet height positions to maximize comfort
Adjustable Headband Height	Ensures a perfect fit between your helmet and SCBA mask
D-ring Helmet Hanger	Fits on large hooks and resists bending
Nomex Chinstrap	Enhances safety, performance and fit thanks to quick-release buckles, postman's slide, and Velcro stowage system
