For over 70 years, the name Notrax® has meant superior quality, service, and innovative products. Now this brand is a cornerstone of Justrite Safety Group, offering the widest selection of products to a variety of markets and applications including entrance mats, anti-fatigue/safety mats, and products designed specifically for use in professional food service environments. Notrax® offers a complete selection of floor matting options to meet any application requirement, quality expectation, and budget.

- **Track record of manufacturing high quality mats for over seventy years**
- **All products are manufactured in ISO certified facilities**
- **Notrax® offers anti-fatigue matting, entrance matting, safety matting, food service matting and specialty mats designed for a variety of industries**

267- WAYFARER® CUSTOM HD BACKED is a heavy-duty vinyl-loop outdoor mat with a solid sheet vinyl back. The vinyl-loop design removes dirt and moisture from shoes and securely traps them beneath the mat's surface. Wayfarer® Custom HD Backed is specially designed to dry quickly and resist mildew making it the perfect mat for heavy-traffic outdoor entranceways, plant entrances, drinking fountains, and pool areas. Intended for heavy traffic areas, this flexible mat can be used for industrial, commercial, or residential applications.
